

Do My Thang

Miley Cyrus

Every single night and every single day
I'ma do my thang
I'ma do my thang
So don't you worry 'bout me
I will be okay
I'ma do my thang
Cus I'ma do my thang
And oh, I'ma I'ma I'ma do my thang
And oh, I'ma, I'ma, I'ma do my
I'ma do my thang

I'ma do my thang
I'ma do my thang
Bang bang, I'ma shoot 'em down baby
Look at me, I'm high up off the ground baby
I'll shoot [?] pass that shit around baby
That shit's true but I don't hear a sound baby

I'ma southern belle
Crazier than hell
Gettin' wild up in here
Gettin' live up in here
Burn it up, up in here
Turnt up, up in here
We tear the roof up
Now we up outta here

We do it
We do it
We don't give a fuck
Only thang we think about is turn it up
Turn it up
We do it, we do it
We do it all the way live
So everybody, hand's to the sky cause

Every single night and every single day
I'ma do my thang
I'ma do my thang
So don't you worry 'bout me
I'ma be okay
Cus I'ma do my thang
I'ma do my thang
And oh, I'ma, I'ma, I'ma do my thang
And oh, I'ma, I'ma, I'ma do my
I'ma do my thang

I'ma do my thang
Eh, eh
I'ma do my thang

Bang bitch, you think I'm strange bitch
It's bananas like a fuckin' orang-utan bitch
Don't worry 'bout me
I got it all arranged bitch
Mind yo' business
Stay in yo' lane bitch

Oh yeah, I'ma southern belle
I told y'all once before
I get crazier than hell
Get wild up in here
Get live up in here
Turnt up, up in here
Burn it up, up in here

We do it
We do it
We don't give a fuck
Only thang we think about is turn it up
Turn it up
We do it we do it
We do it all the way live
So everybody, hand's to the sky cause

Every single night and every single day
I'ma do my thang
I'ma do my thang
So don't you worry 'bout me
I'ma be okay
I'ma do my thang
Cus I'ma do my thang
And oh, I'ma, I'ma, I'ma do my
I'ma do my thang
