

# Fly On The Wall

Miley Cyrus

You don't understand what it is  
That makes me tick  
But you wish you did  
You always second guess, wondering  
I say yes but you just lose out every time

If you only knew what I talk about  
When I'm with my friends just hanging' out  
Then you'd have the inside scoop  
On what to say, what to do  
Then maybe when we play the game  
Maybe you can win

Don't you wish that you could be a fly on the wall  
A creepy little sneaky little fly on the wall  
All my precious secret, yeah  
You'd know them all  
Don't you wish that you could be a fly on the wall

You'd love to know, the things I do  
When I'm with my friends, and not with you  
You always second guess, wondering'  
Those other guys or who I'm with  
You should know by now

If you were my boyfriend, I'd be true to you  
If I make a promise, I'm coming' through  
Don't you wish that you could  
See me every second of the day  
That way you would have no doubt  
That baby it'll never change

Don't you wish that you could be a fly on the wall  
A creepy little sneaky little fly on the wall  
All my precious secrets, yeah  
You'd know them all  
Don't you wish that you could be a fly on the wall

A little communication  
Would go all the way  
Would give you this information  
Too much he say he say

Yeah what I say is  
Ha, come a little closer  
Yeah, what I'm gonna say is

Don't You  
Don't You  
Don't You  
Don't you wish you were a...  
Hey!

Don't you wish that you could be a fly on the wall  
A creepy little sneaky little fly on the wall  
All my precious secrets, yeah  
You'd know them all

Don't you wish that you could be a fly on the wall
