I loved the way you felt so strong

**Ami**

I never wanted you to leave

**Ami**

**C**

**D**

I wanted you to stay here holding me

**G**

R: I miss you

**D**

I miss your smile

**Emi**

And I still shed a tear

**C**

Every once in a while

**G**

And even though it's different now

**D**

You're still here somehow

**Emi**

My heart won't let you go

**C**

And I need you to know

2. You used to call me your dreamer

And now I'm living out my dream

Oh how I wish you could see

Everything that's happening for me

I'm thinking back on the past

It's true that time is flying by too fast

R: I miss you...

**G**

\*: I know you're in a better place, yeah

**D**

But I wish that I could see your face, oh

**Emi**

I know you're where you need to be

**C**

**D**

Even though it's not here with me

R: I miss you... (2x)
