

How Lovely Is Christmas

Mina

How lovely is Christmas
With boughs in the hall
When bells ringle jingle
And friends come to call

How lovely is Christmas
With joy on the wing
While under your window
The carolers sing

God rest ye, be merry
Give peace while you may
Remember the child
Who was born on this day

How lovely is Christmas
With songs in the air
A bright merry Christmas
Dear friends everywhere

How lovely is Christmas
With boughs in the hall
When bells ringle jingle
And friends come to call

How lovely is Christmas
With joy on the wing
While under your window
The carolers sing

God rest ye, be merry
Give peace while you may
Remember the child
Who was born on this day

How lovely is Christmas
With songs in the air
A bright merry Christmas
Dear friends everywhere
