

## Seven-Eleven

### Mindless Self Indulgence

Girls from seven-eleven  
Stay up all night  
Twenty four hours a day

I said  
Girls from seven-eleven  
Stay up all night  
Seven whole days a week

I said  
Girls from seven-eleven  
Stay up all night  
And I could get a discount

She may not be good looking  
She may not be good  
No, no, no

She might not get down  
But it's possible  
She stays up all night
