

Slo Woman

Mint Condition

I'm send her, here and slo cook like a hot man in the winter
and our micro way than half way could that this enter
girl I met you at the right time so I figure
you're the one

So many, say the quicker but better but I was re-up
and I'm getting to know what lover woman believe 'cause
I think they f*ck that I thought it was that body
then I want

Slo woman, I like what you do with that love of your..emotion
slo woman, I like what you do with that, the way you clarify
slo woman, I like with that such a rarity
slo woman, would you stay in my life

The reasons that I love you 'cause you've been through all the season
s
and for me anything that's right now would be treason
yes 'cause my soul feel betrayed so much healin
oh when the instinct is when everybody wants everything including fri
ends
but real friendships take some time and that's where you win
girl you're so good and you're so bad and you know how to work it
so healing, so

Slo woman, I like what you do with that love of your..emotion
slo woman, I like what you do with that, the way you clarify
slo woman, I like with that such a rarity
slo woman, would you stay in my life

Before I try the way, I like it slo
of the fastin lane, I like it slo
I still end up late, I like it slo
and I still felt the pain I like it slo
so I begin to wait I like it slo
and you weren't my fate I like it slo
you sent the pace, I like it slo
just the way I like it girl, slo woman

Slo woman, I like what you do with that if you know what I mean someb
ody
help me say
slo woman, I like what you do with that, they've been coming to grind
somebody help me say
Slo woman, I like what you do with that, if you're feeling me good so
mebody
say
stay in my life, slo woman, I like what you with that
slo woman, I like what you do with that
slo woman, I like what you do with that
I like what you do with that
I like what you do with that
