

Blue Song

Mint Royale

Ooh, right through my head
I ain't got the blues no more I said
Step some more I said, pick me up
Thinkin' I got a lot, groovy I am

Ooh, right through my head
I ain't got the blues no more I said
Step some more I said, pick me up
Thinkin' I got a lot, groovy I am

Ooh, right through my head
I ain't got the blues no more I said
Step some more I said, pick me up
Thinkin' I got a lot, groovy I am

Ooh, right through my head
I ain't got the blues no more I said
Step some more I said, pick me up
Thinkin' I got a lot, groovy I am

Ooh, right through my head
I ain't got the blues no more I said
Step some more I said, pick me up
Thinkin' I got a lot, groovy I am

Ooh, right through my head
I ain't got the blues no more I said

Ooh, right through my head
I ain't got the blues no more I said

Ooh, right through my head
I ain't got the blues no more I said
