

Dancehall Places

Mint Royale

If you tear down the dancehall places
Where we gonna see the beautiful faces?
Who come in wearing their new dresses
Thick mascara on thin eyelashes

We'll be back to running races
From their boyfriends who love to chase us
I don't see why they have to hate us
It's not our fault we make them jealous

If you tear down the dancehall places
Where we gonna see the beautiful faces?
Who come in wearing their new dresses
Thick mascara on thin eyelashes

We'll be back to running races
From their boyfriends who love to chase us
I don't see why they have to hate us
It's not our fault we make them jealous
