

# Forbidden Games

Miriam Makeba

Though it's forbidden for my arms to hold you  
And though it's forbidden, my tears must have told you  
That I hold you secretly each time we meet  
In these forbidden games that I play

Though it's forbidden in dim, quiet places  
To capture the rainbows my aching heart chases  
My bittersweet ecstasies come to me here  
In these forbidden games that I play

Everyone knows you belong to another  
Spinning your magic for her and no other  
Still, I've been content to be part of this fantasy  
Part of this game that I play

Though it's forbidden and you'll love me never  
I'll keep my love hidden and love you forever  
Through countless eternities you will be mine  
In these forbidden games that I play

Everyone knows you belong to another  
Spinning your magic for her and no other  
Still, I've been content to be part of this fantasy  
Part of this game that I play

Though it's forbidden and you'll love me never  
I'll keep my love hidden and love you forever  
Through countless eternities you will be mine  
In these forbidden games that I play
