Five Green Bottles

Miro Žbirka

Five green bottles
hanging on the wall
five green bottles
hanging on the wall
and if one green bottle
should accidentally fall
there'd be four green bottles
hanging on the wall

four green bottles
hanging on the wall
and if one green bottle
should accidentally fall
there'd be three green bottles
hanging on the wall

three green bottles
hanging on the wall
and if one green bottle
should accidentally fall
there'd be two green bottles
hanging on the wall

two green bottles
hanging on the wall
and if one green bottle
should accidentally fall
there'd be one green bottles
hanging on the wall

one green bottle
hanging on the wall
and if one green bottle
should accidentally fall
there'd be no green bottle
hanging on the wall
