

The Grand Old Duke of York

Miro Žbirka

oh the grand old duke of york
he had ten thousand man
he marched them up
to the top of the hill
and he marched them
down again

and when they were up
they were up
and when they were down
they were down
and when they were
only half a way up
they were neither up
nor down

oh the grand old duke of york
he had ten thousand man
he marched them up
to the top of the hill
and he marched them
down again

and when they were up
they were up
and when they were down
they were down
and when they were
only half a way up
they were neither up
nor down

oh the grand old duke of york
he had ten thousand man
he marched them up
to the top of the hill
and he marched them
down again
