Mis-Teeq

So so so scandalous...

You know you wanna sing with us (baby)  
That's why you know you should  
Be scared of us (baby)

You know you wanna sing with us (baby)  
That's why you know you should  
Be scared of us (baby)

Non stop looks to kill  
Straight talk sex-appeal  
One touch give me chills and  
We ain't even close yet

Rought neck all around  
Inking all over town  
Show me how you get down  
Cow we ain't even close yet

You got me feening and  
You got me feeling weak  
Listen as i speak cos i'm  
Careful as i creep  
You got me going crazy and  
You know i can't sleep  
No fortune your moves and  
you hypnotise me

You got me trembling  
Like a little baby girl  
You're so special  
You're like a diamonds and pearls  
You got me spinning  
And you got me in a twirl  
You're my number one baby  
And you, come to rock my world

You're dangerous just get it up  
The way you move so scandalous  
It's all about the two of us  
A one night stand just ain't enough  
I need some simulation baby  
A little conversation maybe  
You got me spinning out like crazy  
There goes my baby

Scandalous, so scandalous (baby)  
Scandalous, so so so scandalous

Hot stuff head to toe  
Where you go, no one knows  
You smile playing the dough and  
We ain't even close yet

Solid as a rock  
How many ways can you hit the spot

Show me what you got  
Cos we ain't even close yet

You got me feening and  
You got me feeling weak  
Listen as i speak cos i'm  
Careful as i creep  
You got me going crazy and  
You know i can't sleep
