

# Just A Friend To me

Misha

We used to be good friends  
And you respected what I did  
Suddenly you go for more  
But I don't feel the click

That chemistry ain't working  
Boy, I just don't feel the vibe  
I do want you around  
But I just can't give you my heart

Please, don't tell me it's gonna work later  
Don't persuade me it will get better  
Almost in love  
Is not what I'm supposed to feel  
I lack the drive  
You are just a friend to me

I'm trying my best but  
I'm telling you that I  
Don't wanna fool you  
I Don't wanna play you  
I'm trying my best but  
I'm telling you that I  
Don't wanna fool you  
I Don't wanna play you  
I'm trying my best but  
I'm telling you that I  
Don't wanna fool you  
I Don't wanna play you  
I'm trying my best but  
I'm telling you that I  
Don't wanna fool you  
Don't wanna play you

Oh oh ooooh oh, oh oh ooh oh oh oh  
Oh oh ooooh oh, oh oh ooh oh oh oh

Guess what happens now  
I think you turn your back on me  
Just because I don't feel  
What I am supposed to feel

We shouldn't mess up what we have  
It's priceless, so deep  
Don't wanna see you walking  
Don't get away from me

Please, don't you tell me  
It's gonna work later (it's gonna work later)  
Don't you try to persuade me  
It will get better (boy, it won't)  
Almost in love  
Is not what I'm supposed to feel  
I lack the drive  
You are just a friend to me

I'm trying my best but

I'm telling you that I  
Don't wanna fool you  
I Don't wanna play you  
I'm trying my best but  
I'm telling you that I  
Don't wanna fool you  
I Don't wanna play you  
I'm trying my best but  
I'm telling you that I  
Don't wanna fool you  
I Don't wanna play you  
I'm trying my best but  
I'm telling you that I  
Don't wanna fool you  
Don't wanna play you

Oh oh ooooh oh, oh oh ooh oh oh oh  
Oh oh ooooh oh, oh oh ooh oh oh oh

Haa... best I'm trying to tell you  
That I don't wanna play you  
...best I'm trying to tell you  
That I don't  
best I'm trying to tell you  
That I don't wanna fool you  
...best I'm trying to tell you  
That I don't  
best I'm trying to tell you  
That I don't wanna play you  
...best I'm trying to tell you  
That I don't  
best I'm trying to tell you  
That I don't wanna fool you  
...best I'm trying to tell you  
That I don't

I don't wanna fool you  
I don't wanna play with you  
I don't wanna fool you  
Don't want to play with you  
What am I supposed to do  
When chemistry ain't working?  
Why don't we just stay good friends?  
Please...
