

Play Me A Tape

Miss Kittin

Play me a tape, tell me a story
Something you made to say you love me
Maybe you hate to be romantic
Play me a secret, une bande magnetique

Play me a tape, when I am alone
A new landscape out of sound
Let me escape, don't hear the world

Play it again, magnetophone

Play me a tape, tell me a story
Something you made to say you love me
Maybe you hate to be romantic
Play me a secret, une bande magnetique
