But there is more things that keep a man satisfied
And I know the remedy just to cure him from
Cheating even if he tried hey

To sleep with someone else
But that's why when I make love to him
Im ruling
Try to give him my best hey

Pussy don't fail me now
I gotta turn this nigga out
So he don't want nobody else
But me and only me
Pussy don't fail me now
I gotta turn this nigga out
So he don't want nobody else
But me and only me

As long as the pussy good
Its alright
Aint gotta worry about my man
Cuz he knows mines
Is one of a kind
And that's why he keeps staying
The pussy good
Its alright
Aint gotta worry about my man
Cuz he knows mines
Is one of a kind
And that's why he keeps staying

Wuz the deal yall

I don't mean to come through and and break yall vibe

But I just got to slow it down for just a second

So bear wit me you know first before i do that

I just wanna talk about how people always say

Yo thats too nasty and why your mouth so vulgar

Why why you gotta sing all these nasty records and all that

But I be representing the ladies and we got something to say

We been quiet too long lady-like very patient

We didn't get mad when Prince has his ass out

We thought he was gone turn around to the front

And have the front out too but you know that didn't happen

We always had to deal wit wit the guy you know

Talking about how they gone wear us out on records

And and you know I had to do records that strictly representing for my

ladies and and how to keep your man

Keep his eyes from wandering looking around

And sex is not a topic that we should always sweep underneath
the rug

And I'm not saying go out and do it but if you do

Strap it up before you smack it up, flip it, slow it down

Oh nooo Jimmy drop it
