

# Teary Eyed

Missy Elliott

You're the reason I don't trust no one  
And I don't love no one  
From the places I've come  
Sad songs I've sung  
All the times I've been stung  
For you bring the worst out of me  
(HOLLA!)

And I can't down these tears I've cried  
The heaviness inside  
Left me so petrified  
Tried ta keep love alive  
But I became too tired  
Cuz you bring the worst out of me  
(Eh, eh, eh, ehehay)

I wish I could change the way things have gone  
And start life anew and now maybe once again  
I don't know when and where but sumthin must've went wrong  
And all I have to say.....  
Is when I sing this song  
I get so teary eyed  
Cuz you get under my skin  
Can't let you suck me dry  
I was gonna marry you, have kids for you,  
stay true to you, live life wit you  
But look what you've done to me (meeeeeeee)  
And I compromised all my time  
And rearranged my life  
To make sure you was fine  
Cuz our love was on the line  
And I became so unkind  
Cuz you brought the worst out of me  
(You brought the worst out of me)  
This is (this is) how the story goes  
Those ones who know  
when its out of control  
You work (work) and you work (work)  
And sumone gets hurt  
And I guess that be me.....

When I sing this song  
I get so teary eyed  
Cuz you get under my skin  
Can't let you suck me dry  
I was gonna marry you, have kids for you,  
Stay true to you, live life wit you  
But look what you've done to me (meeeeeeee)  
(Eh, eh, eh, ehehay)

I wish I could change the way things have gone  
And start life anew and now maybe once again  
I don't know when and where but sumthin must've went wrong  
And all I can say.....  
(When I sing)  
Is when I sing this song  
I get so teary eyed  
Cuz you get under my skin  
Can't let you suck me dry  
I was gonna marry you, have kids for you,  
stay true to you, live life wit you

But look what you've done to me (meeeeeeee)
