

Going North

Missy Higgins

I wanna dance the tango with chance
I wanna ride on the wire
Cos nothing gets done with dust in your gun
And nobody respects a liar
So Goodbye for a while I'm off to explore
Every boundary and every door
Yeah I'm going north

I wanna know where children would go
If they never learnt to be cool
Cos nothing's achieved when pushed up a sleeve
Till nobody thinks you're a fool
So goodbye for a while I'm out to learn more
About who I really was before
Yeah I'm going north

Up where the hunted hide with ease
Under the arms of eye-less trees
Up where the answers fall like leaves
Oh and your love is all I need
Yeah I'm going north
