

## Steer

Missy Higgins

Feel it falling off like clothing  
Taste it rolling on your tongue  
See the lights above you glowing  
Oh and breathe them deep into your lungs

It was always simple, not hidden hard  
You've been pulling at the strings playing puppeteer for kings  
And you've had enough

But the search ends here  
Where the night is totally clear  
And your heart is fierce  
So now you finally know that you control where you go  
You can steer

So hold this feeling like a newborn  
Of freedom surging through your veins  
You have opened up a new door  
So bring on the wind, fire and rain

It was always simple, not hidden hard  
You've been played at a game called remembering your name  
And you stuffed it up

But the search ends here  
Where the night is totally clear  
And your heart is fierce  
So now you finally know that you control where you go  
You can steer

'Cos you've been listening for answers  
But the city screams and all your dreams go unheard

But the search ends here  
Where the night is totally clear  
And your heart is fierce  
So now you finally know that you control where you go  
You can steer  
Year get out of the box and step into the clear  
'Cos now you finally know you can steer
