

# Marry Those Eyes

MKTO

I wanna marry those eyes, baby, oh  
I wanna marry those eyes, baby, oh  
Love how they cut through my lies  
No, baby, no lie  
I wanna marry those eyes  
Oh-oh, yeah, oh-oh, yeah  
Ah, ah yeah

You look so proper  
Didn't know that you had it in you  
The way you talking  
Got me all in like sky's the limit  
Can't help but wonder what  
What you got underneath  
Yeah, that proper  
Can't stop ya

And you know all the ways  
To get you what you like  
Overdose every day  
I been going out my mind  
Got me closer to saying  
Girl you'll lock me down for life  
And the way that you're looking at me  
I should give you my name

I wanna marry those eyes, baby, oh  
I wanna marry those eyes, baby, oh  
Love how they cut through my lies  
No, baby, no lie  
I wanna marry those eyes (yeah)  
Oh-oh, yeah (yeah), oh-oh, yeah (yeah)  
Ah, ah yeah

Stealing every look just like a bandit  
Yeah, you know you got the upper hand here, girl  
And I don't even really understand it  
I just know I need you all up in my world  
You don't have to speak at all  
Everything you say to me is subliminal, it's criminal  
Tryna play it off so proper, can't stop ya

I wanna marry those eyes, baby (baby), oh (oh)  
I wanna marry those eyes, baby (baby), oh (oh)  
Love how they cut through my lies  
No, baby, no lie  
I wanna marry those eyes (hey)  
Oh-oh, yeah (woo), oh-oh, yeah  
Ah, ah yeah

'Cause you know all the ways  
To get you what you like  
Overdose every day  
I been going out my mind  
Got me closer to saying  
Girl you'll lock me down for life  
And the way that you're looking at me

I should give you my name

I wanna marry those eyes (oh...), baby, oh (oh)

I wanna marry those eyes, baby, oh (oh-oh...)

Love how they cut through my lies (my lies)

So baby, no lie (no lie)

I wanna marry those eyes (yeah)

Oh-oh, yeah (uh-uh), oh-oh, yeah (ah...)

Ah, ah yeah
