

Body

MNEK

Woah, oh yeah
Na-na-na na-na-na na-na-na-na na-na-na na-na-na
Na-na-na na-na-na na-na-na-na na-na-na na-na-na

Chest-to-chest, face-to-face
Tonight we're exploring a foreign place
Toe-to-toe, eye-to-eye
It's not taking long for you to realise
That I'm getting bored of holding hands
Baby I've a new way to understand you
So I take my time, I won't rush
Lets communicate in ways, we can touch

Cause I may only speak English
But another language I know is body
You're speechless
But I can hear you calling me loud and clear
You seem tense
So come on over
Let me know your body
Cause I know your heart
I know your mind, your soul
Give me something I can hold
Like your body

On the way we will find
Beauty in the simple things
We'll align so perfectly
I'm evident that you'll see
Love will be the only word we'll ever need
Cheek-to-cheek, mouth-to-mouth
Lost in translation every time I'm around you
I want to know what you're about
Don't worry 'bout the words not coming out

Cause I may only speak English
But another language I know is body
You're speechless
But I can hear you calling me loud and clear
You seem tense
So come on over
Let me know your body
Cause I know your heart
I know your mind your soul
Give me something I can hold
Like your body

Nowhere to run away, nowhere to hide
Show me what you're about
Inside and out

Oh yeah we only speak English
But another language I know is body
You're speechless
But I can hear you calling me loud and clear
You seem tense
So come on over

Let me know your body
Cause I know your heart
Your mind, your soul

'Cause I may only speak English
But another language I know is body (your body)
You're speechless (oh baby I can hear you loud and clear)
But I can hear you calling me loud and clear
You seem to make no sense
So come over
Let me know your body
Cause I know your heart
I know your mind, your soul
Give me something I can hold

Na-na-na na-na-na na-na-na-na na-na-na na-na-na
Like your body
Na-na-na na-na-na-na-na na-na-na na-na-na
Like your body
Na-na-na na-na-na na-na-na-na na-na-na na-na-na
Like your body
Na-na-na na-na-na na-na-na-na na-na-na
