

Disco Lies

Moby

You said you want me, that was just a lie
You said you love me, that was just a lie
All I needed was someone who could keep me warm at night
You tried it baby, it didn't work
And now I know that this is gonna be the end

Oh, but you lied!
Oh, how could you lie? [3x]

You said you need me, that was just a lie
You said the truth once, that was just a lie
All I needed was someone who could keep me warm at night
You tried it baby, it didn't work
And now I know that this is gonna be the end

Oh, how could you lie? [3x]

All I needed was someone who could keep me warm at night
You tried it baby, it didn't work
And now I know that this is gonna be the end

Oh, how could you lie? [3x]
