

## Falling Rain and Light

Moby

Pray the wild  
Pray for sending  
Pray like falling rain and light

Pray that someone  
Frees the sin of fear  
For the time when seas of light were here  
Oh

And I need you  
Oh  
And I need you

Pray what sees us  
Sees us through these days of loss  
Safer thoughts, will we leave us here  
Pray us wild  
Pray us softly  
Pray us safe unto the seas we know  
Oh

And I need you  
Oh  
And I need you

Oh  
And I need you  
Oh  
And I need you  
Oh  
And I need you  
Oh  
And I need you  
Oh  
Oh  
And I need you  
Oh  
And I need you
