

# One Last Time

Moby

This was our life again  
All we lost in the fall  
This was how we have cried in the darkness  
This is where you will save us all  
One more time

One more time  
One last time  
If only not

This was how we will save the hopeless  
When the days are like seas of fire  
All our sunlight has fallen  
Oh, we will find our light  
One more time

One more time  
One last time  
If only not

One last time  
One last time  
One last time

One last time  
One last time  
One last time  
One last time  
One last time
