Stay Down

Oh my love We try so hard Oh my love Stay down Stay down We've seen how All the trusted So softly, slipped away On the watchtower All the time My love Stay Just follow in . . We can't escape our roots Can't escape Oh my love We try so hard Oh my love Stay down Stay down It is treason All it seems No one cares how Just relent All the seen now All the time How we lost this again Just following . . . Through this We can't escape our roots Can't escape Oh my love We try so hard Oh my love Stay down Stay down There is news gone By the sea Shining bright on All the sea There is news gone By the sea Shining bright on All the sea 2x: Oh my love

We try so hard
