

## With A Little Love

Modern Talking

They said oh yeah it's a tough world  
You are restless and you are young  
I said oh girl it's a good world  
And your time will come  
Your time will come  
They said you came from the wrong side  
He's a page from the end of the book  
I said you came from the right side  
Took me just one look  
Then you understood

With a little love you will survive  
With a little love you will get by  
Do what you want go your own way  
'cause it's your life

With a little love you make the start  
Yeah why lovers break each other's heart  
Do what you want go your own way  
'cause it's your life

They said no future forget it  
You came from the wrong side of town  
I said don't listen don't let it  
Let it bring you down  
Make you wear a frown  
They said oh let him down easy  
Left at the hearts you have won  
I said that love is for livin'  
Like the morning sun  
It had just begun
