

# Mexican Grand Prix

Mogwai

Fast love,  
Heart breaker,  
wrong taken in a day, or less

Is this what you meant  
by fire?  
My passion,  
a mistake?

(Run and see,  
Keep runnin' now...  
Keep runnin' now,  
I run and see)  
I run and see  
(Keep runnin' now)  
Keep runnin' now,  
(Run and see.)

I run and see,  
(Run and see)  
Keep runnin' now,  
(Runnin' now.)

All because I wouldn't say you're mine  
All because I wouldn't say  
All because I let you live your li(f)e  
Let you be in your own way

(I run and see)  
You said  
(Keep runnin' now)  
I will take her  
(Run and see)  
'Cause you're lost in...  
(Keep runnin' now)  
Keep runnin' now  
(I run and see.)

I can't let you  
(Keep runnin' now)  
Forget me  
Can't get you  
(Run and see)  
Out my head, yeah  
(Runnin' now.)

Keep' runnin' now, keep' runnin' now  
Keep' runnin' now, keep' runnin' now  
Keep' runnin' now, keep' runnin' now  
Keep' runnin' now, keep' runnin' now  
Keep' runnin' now, keep' runnin' now  
Keep' runnin' now, keep' runnin' now  
Keep' runnin' now, keep' runnin' now  
Keep' runnin' now, keep' runnin' now...

Come close,  
At your window

Drawn curtains on weekdays

Head ringer  
Think bigger  
Say bye to the child you became

{I run and see,  
Keep runnin' now,  
I run and see...  
Keep runnin' now,  
I run and see,  
Keep runnin' now,  
Run and see,  
Runnin' now,  
Run and see,  
Runnin' now...

High pressure  
Long letter  
Feel better  
O, You'll be fine
