

As Heaven Is Forever

Molly Hatchet

I need somebody to call my own
I'm so tired of livin' all alone
With the help of my brothers
Learn to adapt and over come
Did what I had to do and I did it all alone
My hopes and dreams .I threw them all away
Drove myself to Texas for the holidays

And I love you in my heart
Even though we've been apart
Still I think of you... Still I think about you...

As Heaven is forever
I count the days 'til we're together
And we'll go walkin' hand in hand
'Til the world comes to an end
You are always my best friend
and I love you...

When I look to the evening sky
I think of you with a smile and a cry
You gave me strength and power deep inside

I was lucky to have your lovin' in my life

And I love you in my heart
Even though we've been apart
Still I think of you... Still I think about you...

When you're sleeping into the arms
You're forever in my heart...
I will always be true

As Heaven is forever
I count the days 'til we're together
And we'll go walkin' hand in hand
'Til the world comes to an end
You are always my best friend

As Heaven is forever
I count the days 'til we're together
And we'll go walkin' hand in hand
'Til the world comes to an end
You are always my best friend still I love you...
