

My Everything

Monica

I ain't never had nothin' quite like this
And can't believe a girl done made
A come up like this
Ain't never been in love like this before

I ain't never seen a ring shine like this
I ain't never had nobody fit me like this
I can't believe that all of this is happenin' to me
If I'm dreamin', let me sleep

Boy, you, you got my back and baby, I got yours
You, you got that lovin' that I would die for
Boy, I've been waitin' all this time
And livin' with nothing but now I got

Now I got everything, I got a good man
I'm makin' weddin' plans, yeah
The one I took home to Mom and Dad
He stole my heart

Now I got everything, someone who don't cheat
Somebody who won't leave me lonely
Even though it took a lifetime to get here
Now finally I got everything, it's you

Never had no one go half on a baby
Someone to do it like I like
Can serve me daily
No one ever love me like this before

I never had a house feel like a home
I never had a man that was full grown
Baby, what'd I do to deserve you?
I may never know but I know I got you

You got my back and baby, I got yours
You got that lovin' that I would die for
Boy, I've been waitin' all this time
And livin' with nothing but now I got you

Now I got everything, I got a good man
I'm makin' weddin' plans, yeah
The one I took home to Mom and Dad
He stole my heart

Now I got everything, someone who don't cheat
Somebody who won't leave me lonely
Even though it took a lifetime to get here
Now finally I got everything, it's you

Now that I got you, I never wanna lose you
I love everything you do, don't wanna live without you
Just what I've been missin', all this love, I'm givin'
I wouldn't trade it for nothin', my everything is you

Now I got everything, I got a good man
I'm makin' weddin' plans, yeah

The one I took home to Mom and Dad
He stole my heart

Now I got everything, someone who don't cheat
Somebody who won't leave me lonely
Even though it took a lifetime to get here
Now finally I got everything, it's you

Now I got everything, I got a good man
I'm makin' weddin' plans, yeah
The one I took home to Mom and Dad
He stole my heart
