

Another Man's Shoes

Monster Truck

So strange,
I think of things,
and suddenly they're real,
Like I'm living a dream,
Walking around in a fog.
How can a man know,
When he is across the line,
When he's not himself?

[Chorus:]

I'm never in the same place.
I don't know how far I can go.
Things always seem to change.
Feel like I'm nothing to
You-ou-ou
In the soles of another man's shoes.
Ooo-ooo-ooo

So strange,
Never felt more alone,
In a room full of friends.
It's harder than,
To stand,
In a room full of strangers.
The sound cuts right
Through the wall again,
And it rips my mind.

[Chorus]

Oh yeah
In the soles of another man's shoes,
Yeah!
Oh!

Ooo-ooo-ooo
In the soles of another man's shoes,
I got nothing to lose, (Ooo-ooo-ooo)
In the soles of another man's shoes.
Ooo-ooo-ooo
Ooo-ooo-ooo
Ooo-ooo-ooo
Ooo-ooo-ooo
