Monster Truck

Hey! Kid!
Don't you hold out your hand
There's a beast in the dark
Don't make me tell you again
I've seen the man and
He's showing his teeth
He's coming for you, like he came for me

The time it coming up
(Get ready! Get ready! Get ready!)
The time it coming up
(Get ready! Get ready!)
Oh! Get ready!

Stand! Up!
I want to start a revolution
It's coming
Revolu-tion, revolu-tion, revolu-tion
Get ready
Stand! Up!
I'm going to start a revolution
It's coming
Revolu-tion, revolu-tion, revolu-tion
Get ready

Hey! Man!
Gun in your hand
Better drop it now
I'm not asking again
I've seen the world and
I've seen how it ends
I'm more than a weapon
Better tell all your friends

The time it coming up
(Get ready! Get ready! Get ready!)
The time it coming up
(Get ready! Get ready!)
Oh! Get ready!

Stand! Up!
I want to start a revolution
It's coming
Revolu-tion, revolu-tion, revolu-tion
Get ready
Stand! Up!
I'm going to start a revolution
It's coming
Revolu-tion, revolu-tion, revolu-tion
Get ready

Stand! Up!
(Get ready!)
The time it coming up
(Get ready!)
Stand! Up!
(Get ready!)

The time it coming up
(Get ready!)
Stand! Up!
(Get ready!)
The time it coming up
(Get ready!)
The time it coming up
(Get ready!)

Ohhhhhh yeahhhhhh!

Stand! Up!
I want to start a revolution
It's coming
Revolu-tion, revolu-tion, revolu-tion
Get ready
Stand! Up!
I'm going to start a revolution
It's coming
Revolu-tion, revolu-tion, revolu-tion
Get ready
