

# True Rocker

## Monster Truck

I'm not an artist or a poet or a saint  
I never claimed to be much of anything  
I turn everything up until it breaks  
I know who I am

I b-b-b-b-believe in rock n roll  
And I don't have to try 'cause it's in my soul  
I'm here to testify that I lose control  
I know who I am

(Oh!) Yeah  
(Oh!) Oh yeah  
(Oh!) Yeah  
I know who I am  
(Oh!) That's right  
(Oh!) Oh yeah  
(Oh!) Oh yeah  
I know who I am

A true rocker  
I am a true rocker

I feel the music from inside baby from within  
I'm good to go on just about anything  
No time for brakes we move full speed ahead  
I know who I am

(Oh!) That's right  
(Oh!) Come on  
(Oh!) Oh yeah  
I know who I am

A true rocker  
I am a true rocker

We'll make a little noise  
Oh yeah  
I know who I am

We all gathered here today to pay respect to rock 'n' roll  
To testify that we are true rockers  
'Cause rock 'n' roll is not dead 'cause it lives in our hearts  
Stand up and be counted, stand up and show your true colors, show everybody  
you know  
That rock lives in your soul and that we ain't never gonna let it die  
I wanna see you all head banging, hold fists to the sky  
Scream at the top of your lungs, "I know who I am,  
I know what I stand for, I am a true rocker" Let me hear you say it  
Raise your voices in praise and as long as we still breathe  
Rock 'n' roll and we'll live forever  
And if you believe that we'll never die, we will never die  
Now scream!

I am a true rocker  
I am a true rocker  
I am a true rocker  
I am a true rocker

That's what I am
