

Joe Six-Pack

Montgomery Gentry

There's girls and guys dressed to the nines
Drop mortgage payments on fancy wine
But I ain't much for an earthy tone
Never cared to sip it slow
Cigar man with his pappy van
Got one bottle for a couple grand
But a couple grand means more to me
When I'm ballin' I hit the Beam

Everybody's got their thing and so do we
Yeah, when it comes down to gettin' down and blowin' off steam

We're High Life livin', poppin' off plastic rings
Tried and true Blue Ribbon, PBR, BYOB
We're good with what we got, fine with what we have
That deep in the ice, sweat on the side
Tip it on back, Joe six-pack
Yeah, Joe six-pack

There's no velvet ropes where this party goes
Just Styrofoam and Solo
Liquid courage, pickup lines
Havin' ourselves a hell of a time

We're High Life livin', poppin' off plastic rings
Tried and true Blue Ribbon, PBR, BYOB
We're good with what we got, fine with what we have
That deep in the ice, sweat on the side
Tip it on back, Joe six-pack
Yeah, Joe six-pack

Everybody's got their thing and so do we
Yeah, when it comes down to gettin' down we're the best you've ever seen

We're High Life livin', poppin' off plastic rings
Tried and true Blue Ribbon, PBR, BYOB
We're good with what we got, we're fine with what we have
That deep in the ice, sweat on the side
Tip it on back, Joe six-pack
Joe six-pack

Tip it on back, tip it on back
Yeah, Joe six-pack
Tip it on back, tip it on back
Yeah, Joe six-pack
Tip it on back, tip it on back
Yeah, Joe six-pack
