

Demon Seed

Morbid Angel

Fear the reaper, twisted lies
Fear the reaper you will die
Demon Seed evil feeds
Demon Seed virgin bleeds
We crush jehova's church
Where we hang the priest

Burn the cross blasphemy
Burn the cross jehova bleeds
Demon Seed evil feeds
Demon Seed jehova bleeds

We crush jehova's church
Where we hang the priest

Fear the reaper, twisted lies
Fear the reaper you will die
Demon Seed evil feeds
Demon Seed virgin bleeds

We crush jehova's church
Where we hang the priest
