

Hell Spawn

Morbid Angel

You are the One, the Oldest
One
You come before the legends of men
You are the Sea, Creator of All
You come before the legends of gods
You're all I need, For You I bleed
Plant Your Seed, Earth shall feed
Born of Fire, I shall return

Enlighten my soul, Spirit grows
Fulfillment is mine, of the Most High
I am the Hellspawn
Born of the Fire, I shall return
Answer the Call of the Oldest One
Curse from my eyes, your gods I defy
I am the Hellspawn
Forever I Dream, Continual Dream
Forever I am, in Spirit I am
We Sleep undisturbed again
I am the Hellspawn Chthulhu We Dream in the Peace again
