

How Many Tides (After Sean Sellers)

Moriarty

In the dark, I've learned to meet myself
I've learned to be friends with myself
Day after day
My whole like in one day
See what's beyond

How many times must a man hope 'til he dies
How many tides must a man weigh 'til it's over

Why should I be out of mind
Because I'm out of sight
Now my voice is in yours my dear
No more darkness, [?]

Soon I'll be going, I'm going
I'm going not too far

Yes I'm going, I'm going
I'm going not so far

Oh I'm going, I'm going
I'm going, I'm going
I'm going

I'm going, I'm going
