

Come Along

Morphine

One foot in front of the other
That's the way we do it
Through this maze
Of flames, of sheets of heaps

Obstacles bloom like dreams in my way
If I stop believin', they go away
Before they leave, they got this to say
Before the dreams leave, this is what they say
Come along
Stay in touch
We're with you
And you're with us

Low on the body
Low on the body
Low on the body
Low on the body

Low on the body
Low on the body
Low on the body
Low on the body
Low on the body

Obstacles bloom like dreams in my way
If I stop believin', they go away
Before they leave, they got this to say
Before the dreams leave, this is what they say

They say now
Come along
Stay in touch
We're with you
And you're with us
Come along
Stay in touch
We're with you
And you're with us
