

3 of a Kind

Mortification

Three of a kind, this ain't no game of cards
Three of a kind, this is eternal life x2

Father, son and holy flame, all are three in one,
Creator of the universe all together God.

Jesus Christ he paid the price for the world of sin,
God has sent his spirit to comfort and to guide

We are three as one
An unbroken force,
We style ourselves on Christ,
The trinity is out Lord!

Metal missionaries, bringing forth flesh denial,
Stardom farces, capture those of false arise.

Unbroken path of power,
We storm across the world,
Taking the spoils of earth,
For eternal purpose.
