

Escape the Blasphemous Tabernacle

Mortification

Born into the ritualistic
Blasphemous way of life
Your parents are the priests
Of the practice of antichrist
Abusive situation
You hear the toll of the bell
Running to Jesus
You escape your living hell

Running through the forest
Running for your life
Running from the evil
Into the arms of Christ

Born again into The Faith
Of the ways of Christ
Down upon your knees
You escape into the light
No more hold
Does satan have on you
The practice of evil
Cannot destroy your life

Running through the forest
Running for your life
Running from the evil
Into the arms of Christ

Escape the blasphemous tabernacle
Escape the blasphemous tabernacle

Escaping your world of sorrow
Entering the path of your new tomorrows
Finding the only way of escape
Finding Christ, or your certain death
