

## Humanitarian

## Mortification

Humanitarian, kills the greed  
Humanitarian, gives to the needy

The minority of the wealthy, in the western world  
Has majority of the world's resources  
If we could all help, just one family  
We could make a change, to their children's poverty

Humanitarian, to help one family  
Humanitarian, we can kill the poverty

Kings of the western world, sitting upon your thrones  
Take a walk down your stairs, to reach out to the homeless  
Millions of children, families in poverty  
We must reach out to the poor and share with them prosperity

It is easier for a camel  
To pass through the eye of a needle  
Than for a rich man to enter The Kingdom of God

Let us share in the fruits, of financial prosperity  
People in the world, just chasing a life of luxury  
Wanting extra treasures, that moth and rust destroy  
Let us all instead, invest to the break of poverty
