

Realm of the Skelataur

Mortification

No flesh found within my body
Righteous word is my liposuction
Read the Word and find the path
Away from the evil flesh

Realm of the skelataur
Slender on the holy path
Realm of the skelataur
Moving with the Lord we march
Throw all the chains off
No bondage seen within our ways
Realm of the skelataur
Righteousness in our faith

Kill off all the evil ways
Eyes aglow within the heavenly gates
Look inside a righteous heart
And find the glowing of the light
