

So Fine

Mud

Aah-oooh so fine
So fine
So fine, yeah

My baby?'s so dog-gone fine
You know she loves me
Come rain or shine
Whoa yeah, ooh so fine

She fills me
She fills me
She fills me yeah

My baby she fills me all the time
You know she sends those chills running down my spine
Whoa yeah, ooh so fine

Lord knows I know
She loves me so
Lord knows I know
Because my baby tells me so

So fine
So fine
So fine, yeah
My baby's so dog-gone fine
You know she loves me
Come rain or shine
Whoa yeah, ooh so fine
Lord knows I know
She loves me so
Lord knows I know
Because my baby tells me so

So fine
So fine
So fine, yeah

My baby's so dog-gone fine
You know she loves me
Come rain or shine
Whoa yeah, ooh so fine
Whoa yeah, ooh so fine
Whoa yeah, ooh so fine
