

Ramblin' Mind

Muddy Waters

Got a mind of ammo
Got a mind not to go nowhere
Yeah, I got a mind of ammo
I've got a mind not to go nowhere

Yeah, you know you can't find no heaven here
You can't find no heaven over there

Yeah, I've got a mind of ammo
I've got a mind still home
Yeah, you know I've got a mind of ammo
I've got a mind still home

I've got a mind to be a good boy
Leave all these other women alone

Yeah, I've got a mind of ammo
I've got a mind to settle down
Yeah, I've got a mind of ammo
Well, I've got a mind to settle down

Yeah, you know I've got a mind to be a good boy
Stop all that running around
Got a mind of ammo
Well, I've got a mind not to go nowhere
Yeah, I've got a mind of ammo
Got a mind not to go nowhere

I can't find no heaven
Can't find no heaven nowhere you go

Yeah, I've got a mind of ammo
Well, I've got a mind to settle down
Yeah, I've got a mind of ammo
And I got a mind to settle down

I got a mind to be a good boy
Stop all of that running around

Oh I ain't going around no more
Oh I don't got time around me
I've got a home to settle down
Oh, I believe I'll go home and settle down

Well, I ain't goin' round there no more
Well, well, well, well, well, well I ain't goin' round there no more
