

# Screamin' and Cryin'

Muddy Waters

Screamin' and cryin', thinkin' 'bout my past life to gone  
Screamin' and cryin', thinkin' 'bout my past life to gone  
Well you know, I used to have a sweet little mother  
You know I had such a happy home

Screamin' and cryin', thinkin' about the time I've been  
Screamin' and cryin', thinkin' about the time I've been  
Well you know, I used to have seven wives  
Well you know, I had twenty girl friends

Screamin' and cryin', wonderin' where my people gone  
Screamin' and cryin', wonderin' where my people gone  
Well you know, I feel my poor self sinkin' down  
Well you know, I can't last very long

Screamin' and cryin', wonderin' where my people gone  
Screamin' and cryin', wonderin' where my people gone  
Well you know, I feel my poor self sinkin' down  
Well you know, I can't last very long
