

# Number One Fan

MUNA

So I heard the bad news  
Nobody likes me and I'm gonna die alone  
In my bedroom  
Looking at strangers on my telephone  
Well, wouldn't you?  
Wouldn't you like if I believed those words?  
If I'm born to lose  
I'll never try and I will never learn, but

I've been looking at myself in the mirror, saying  
"Don't leave me now, don't leave me now"  
I've been looking at myself in the mirror, saying  
"Don't leave me now," and I turn around like

"Oh my God, like, I'm your number one fan  
So iconic, like big, like stan, like  
I would give my life just to hold your hand  
I'm your number one fan  
I'm your number one, number one fan"

So here's the bad news  
I'm coming for everyone and I'm coming on strong  
New hair and new shoes  
Yeah, I get what I like because I do what I want

I've been looking at myself in the mirror, saying  
"Don't leave me now, don't leave me now"  
I've been looking at myself in the mirror, saying  
"Don't leave me now," and I turn around like

"Oh my God, like, I'm your number one fan  
So iconic, like big, like stan, like  
I would give my life just to hold your hand  
I'm your number one fan  
I'm your number one, number one fan"

Number one, number one  
Number one, number one

In the thick of it  
Will you stick up for me?  
In the thick of it  
Are you gonna believe that I can do it?  
Love me in the way that only you can  
Be my number one, number one

"Oh my God, like, I'm your number one fan  
So iconic, like big, like stan, like  
I would give my life just to hold your hand  
I'm your number one fan  
I'm your number one, number one fan  
Oh my God, like, I'm your number one fan  
So iconic, like big, like stan, like  
I would give my life just to hold your hand  
I'm your number one fan  
I'm your number one, number one fan"

Number one, number one  
Number one, number one
