MUNA

(Why do I do it, why do I)

What happened then, happened then
There's no use in recap
You said that you gave your best
And you think maybe it's time
But how long do you plan
To keep me in the back of your mind
For someday, maybe next time, oh

I start to cry
You're reaching out
I let you in, you're leaving now
I scream, "This is not the end!"
Cause I could
And you hurt me 'cause you should
Yeah, you should
I said "try," I thought we could
I thought we could
You said you would
