

You don't seem to understand me when I say I'm feeling blu love
Blu love
When you touch me in that way, I just don't know what to do, lo
ve
I'm so in love

I can't get you out my mind
You send me pictures
I ain't calling crisis
You send the pictures

You don't seem to understand me when I say I'm feeling blu love
Blu love
When you touch me in that way, I just don't know what to do, lo
ve
I'm so in love

If your harp is [?]
Wait for time to come
It might take you to Rome
It's all about religion
It's all about constructing the chemical reliance on

You don't seem to understand me when I say I'm feeling blu love
Blu love
When you touch me in that way, I just don't know what to do, lo
ve
I'm so in love
