

Dead Inside

Muse

Dead inside

Revere a million prayers
And draw me into your holiness
But there's nothing there
Light only shines from those who share

Unleash a million drones
And confine me then erase me babe
Do you have no soul
It's like it died long ago

Your lips feel warm to the touch
You can bring me back to life
On the outside you're ablaze and alive
But you're dead inside

You're free to touch the sky
Whilst I am crushed and pulverised
Because you need control
Now I'm the one who's letting go

You like to give an inch
Whilst I am giving infinity
But now I've got nothing left
You have no cares and I'm bereft

Your skin feels warm to caress
I see magic in your eyes
On the outside you're ablaze and alive
But you're dead inside

Feel me now
Hold me please
I need you to see who I am
Open up to me
Stop hiding from me
It's hurting babe
Only you can stop the pain

Don't leave me out in the cold
Don't leave me out to die
I gave you everything
I can't give you anymore
Now I've become just like you

My lips feel warm to the touch
My words seem so alive
My skin is warm to caress
I'll control and hypnotise
You've taught me to lie without a trace
And to kill with no remorse
On the outside I'm the greatest guy
Now I'm dead inside
