

Dead Star

Muse

Shame on you for thinking
You're an exception
We're all to blame
Crashing down to earth
Wasting and burning out
Fading like a dead star
Harm is comin your way
Its coming your way

And you used to mean everything to me
And now your tired of fighting
Tired of fighting yourself

Shame on you for thinking
Your all alone
If you want i'll make you wish you were
Failing to impress
Why can't you sleep with
Someone who'll protect you
Harm is comin your way
Its coming your way

And you used to mean everything to me
And now your tired of fighting
Tired of fighting yourself
