

# Mercy

Muse

Help me  
I've fallen on the inside  
I tried to change the game  
I tried to infiltrate  
But now I'm losing men in cloaks  
Always seem to run the show  
Save me from the ghosts and shadows  
Before they eat my soul

Mercy, mercy  
Show me mercy  
From the powers that be  
Show me mercy  
Can someone rescue me

Absent gods and silent tyranny  
We're going under hypnotised  
By another puppeteer  
And tell me why the men in cloaks  
Always have to bring me down  
Running from the ghosts and shadows  
The world just disavows

Mercy, mercy  
Show me mercy  
From the powers that be  
Show me mercy  
Can someone rescue me

Show me mercy  
Show me mercy please

Help me  
I've fallen on the inside  
And all the men in cloaks  
Trying to devour my soul

Show me mercy  
From the powers that be  
Show me mercy  
From the gutless and mean  
Show me mercy  
From the killing machines  
Show me mercy  
Can someone rescue me
