Resistance

Is our secret safe tonight And are we out of sight Or will our world come tumbling down? Will they find our hiding place Is this our last embrace Or will the walls start caving in?

(It could be wrong, could be wrong) But it should have been right (It could be wrong, could be wrong) To let our hearts ignite (It could be wrong, could be wrong) Are we digging a hole? (It could be wrong, could be wrong) This is out of control

(It could be wrong, could be wrong) It could never last (It could be wrong, could be wrong) Must erase it fast (It could be wrong, could be wrong) But it could have been right (It could be wrong, could be...)

Love is our resistance They'll keep us apart and they won't stop breaking us down Hold me Our lips must always be sealed

If we live a life in fear I'll wait a thousand years Just to see you smile again

Kill your prayers for love and peace You'll wake the thought police We can't hide the truth inside

(It could be wrong, could be wrong) But it should have been right (It could be wrong, could be wrong) To let our hearts ignite (It could be wrong, could be wrong) Are we digging a hole?

(It could be wrong, could be wrong) This is out of control (It could be wrong, could be wrong) It could never last (It could be wrong, could be wrong) Must erase it fast (It could be wrong, could be wrong) But it could have been right (It could be wrong, could be...)

Love is our resistance They'll keep us apart and they won't stop breaking us down Hold me Our lips must always be sealed

The night has reached its end We can't pretend We must run We must run It's time to run Take us away from here Protect us from further harm Resistance
